**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is the key to getting high speed bandwidth to USA consumers who have some of the worst network access in the developed world. Allowing local internet providers bridge access creates the competition that has brought two high speed connection options to my local neighborhood.
